Hilo High School Site.

At the meeting of the Executive Council of the Board of Trade Thursday afternoon the principal topic was the discussion of a Hilo High School site. Superintendent C. S. Holloway was present at the meeting. Mr. Scott advocated the removal of the Riverside school building to a portion of the hospital grounds adjoining, making the Riverside lot available for high school purposes. This did not meet with favor, although the consensus of opinion was in favor of using exclusively the Riverside lot for the high school, and the removal of the grammar building to another location.

Principal Richmond and the others connected with the high school have addressed a letter to Superintendent of Public Instruction Davis upon the subject, which is as follows:

Hilo, T. H., September 20, 1905.
Jos. C. Davis, Esq., Superintendent of Public Instruction, Honolulu:
Dear Sir:—Several sites for the high school have been suggested, among which is that of a lot belonging to the Free Masons. This site is in many ways ideal. What difficulties may be encountered in the acquisition of this property we cannot say. There is, we believe, another site, almost if not equally as suitable for the location of the high school. This is the large lot belonging to the government, and upon which the Riverside School stands. There is room here, we believe, for both schools without crowding. Should there be difficulty in the acquisition of other property, we wish to suggest this location as perfectly suitable and immediately available. Respectfully,
(Signed) Frank A. Richmond Mary Frank Potter,
Josephine Deyo, Cyril O. Smith,
Luther Severance.

Quo Warranto Proceedings Commenced.

On behalf of the Board of Supervisors of the County of Hawaii, Chairman John T. Moir has brought legal proceedings to test in the Courts the legality of Sheriff Keolanui's appointment of policemen throughout the island. A writ of quo warranto was issued last Thursday and served upon Harry A. Knell, one of Sheriff Keolanui's new appointees and a member of the Hilo mounted patrol. The writ is returnable next Thursday before Judge Parsons. C. S. Smith represents the Board of Supervisors, and it is understood Judge Stanley will appear for the respondent.

The above action is the result of Supervisor Fernandez' motion introduced and passed at the last meeting of the Board of Supervisors, authorizing Chairman Moir to bring the necessary legal proceedings to test Sheriff Keolanui's power of appointment of policemen. At the same time an attorney fee of \$250 was appropriated for this purpose.

The petition upon which the writ is based, sets forth that for the past two months Knell has been claiming to be lawfully entitled to hold office and exercise the functions of police officer for the District of South Hilo, County of Hawaii, that he has assumed the right and authority to perform the duties of such office, wears the uniform provided by the police rules and regulations, makes arrests, serves and executes various writs and process issuing out of the courts, and is claiming remuneration for his services as such police officer. It is claimed that Sheriff Keolanui had not the right or lawful authority to appoint or commission the said Harry A. Knell, and that his action is wholly unauthorized and void. Knell is ordered to appear next Thursday at 10 a. m. and make answer to the petition and to show by what authority he claims to hold the office of police officer.

Tokio, Sept. 21.—Admiral Rojestvensky is still confined to the hospital here.
